

We are looking for you as **Mechatronics Engineer (m/f/d)**

We are a medium-sized family business in the field of mechanical engineering for the confectionery industry with headquarters in Aachen. For the expansion of our production team we are looking for you as support!

YOUR NEW TASKS:

- Electrical work on assemblies and components
- Functional testing and adjustment of mechatronic systems
- Maintenance and repair in the field of mechatronics
- General assembly activities in our workshop
- Service assignments at our customers

YOUR PROFILE:

- A completed professional training as a mechatronics engineer or similar.
- Work experience in the field of mechanical engineering is an advantage
- Good technical understanding
- Structured, independent way of working, as well as reliability
- Strong communication skills and ability to work in a team

WE OFFER YOU:

- A secure job
- Challenging tasks
- Appreciation of your performance and fair payment
- An inspiring team

Does this challenging job suit you?
Then send us your application, stating your salary requirements.

We are looking forward to your application!
